January 2022 – May 2022

Individually, we are one drop. Together, we are an ocean

“You did not choose me, but I chose you” (Jn. 15:16)

A three days seminar i.e. 13th – 15th January 2022 was arranged for the first year Temporarily Professed Sisters (TPS). Fr. John Sekhar OFM was the resource person for 2 days followed by sessions by Srs. Mary K., Anthony Mary & evaluation by Sr. Luviza on the third day.

The topics dealt were -

➤ **The call is to follow me :**

- Every new day is a sign that God calls me, once again anew!
Every new day is a day to hear the words of Jesus, “Follow me”
Every new is a sign that God loves me, wants me and needs me as His beloved believer and Disciple.
- **It all starts with God:** - For everything, absolutely everything, above and below, visible and invisible... Everything gets started in God and finds its purpose in God. (Col 1:16)
- **You are Called:** - You have been created as a human person, a sign that God has called you: you are very much in the plan of God and that is why you are here! With the acknowledgement that God has called you....your life gains focus....your life finds a right path.

➤ **The purpose of your life:**

- It is not so much what I want to do in my life for me. But it is about what God wants me to do for Him in my life.
- It is about how God wants me to live my life for Him.
- It is about living our life as His beloved, Believer and Disciple.
- It is only in God that we discover our origin, our identity, our meaning, our purpose, our significance and our destiny.

➤ **Emotional Quotient**

- IQ contributes only 20% to a person’s success and happiness. Emotional quotient is responsible to the 80% of a person’s success and happiness.
- All emotions are forms of energy and can provide motivation.
- We need to be careful of past experiences, get reconciled with your past experiences.
- The ability to identify and manage one’s own emotions and the emotions of others.
- Develop and maintain good social relationships
- Solve problems under pressure.

➤ **Community life and communion**

- We are not choosing our parents or siblings or friends, they are gift of God. Likewise, community members are also the gift of God (Acts 4:32-35)
- Forgiveness and love covers everything so peace and harmony is a necessary climate.
- Peace and harmony witness to Risen Christ.

As a team of 11 members, we all were connected and involved in the seminar. The seminar was enriching. As the world throws a continuous challenge, the seminar helped us to recall our calling and the purpose of our lives.

We were introduced to a technical oriented gospel stories and reflections, which were personally touching each one of us. It was a one-on-one session, all of us were given attention and our questions were answered. The examples were practical and applicable to our real life.

We thank Sr. Anthony Mary the Provincial Superior and council for arranging this kind of seminar considering the 1st year TPS to respond God's call in different spheres of life. Thank you for the confidence that you have in us and helping us to grow in the love of God.

- ***First Year Temporarily Professed Sisters (Batch – 2021)***

Silver Bells... Ding Dong Bells...

Jubilee is a time for looking back and looking forward. The book of Leviticus depicts the spirit of Jubilee, as an occasion of grateful remembrance of the past events, of rejoicing for the graces received; of recognition of God's faithfulness. The journey of 25 years is not simply a journey through a string of days and years. Rather the journey has been surrounded and intertwined by the intimacy and relationship, mystery and secret growth. 8 of our journeys have been fulfilling and demanding, risky and exciting. They have been filled with losses and gains, replete with joys and sorrows and in all these the God who called and consecrated was always with us, enabling us to live the spirit of our consecration and thus we 8 of us sing out the glories of the Lord.

In gratitude, we turn our thoughts to God in the foremost place because God had been prodigiously benevolent to 23 of us, from the year 1997, we have had commenced our religious life to this day, as we celebrate our 25 years of long Journey with the Lord. Every Jubilee is the commemoration of God's steadfast love and his constant faithfulness to us and our yes to him. We sing a song of joy and gratitude to the Lord, for accompanying us in the preceding 25 years just as he walked with his disciples on the way to Emmaus.

We raise our hearts in thanksgiving for the indebtedness and gratitude towards our congregation for the great opportunity to remain in silence and solitude for 9 weeks away from our busy schedule at Divyodaya spirituality center Sirumalai, TN. The occasion of coming together as a batch, 21 of us did not

remain in mere meeting and parting but it gave ample time to know oneself and share our joys and sorrows with our own companions from different provinces. We owe a special thanks to Sr. Shyamala and Pramila the directress and Asst. Directress of Divyodaya spirituality center, for the meticulous planning to make our stay comfortable and arranging the resource persons from locally in spite of Covid 19.

A course on Inner child gave us a conviction that “I am 100 all the time. My value is 100 all the time. Each one of us has valuable treasure within us gifted by God. As Golden Buddha statue at Thailand was covered with mud for ages, we too were covered with various masks and negative emotions. The process of healing helps us to heal our wounded sub-conscious and bring back the love, creativity, wonder and joy that we have lost touch with oneself because of these wounds. At the end of the process, we witnessed self-transformation into the adult that we are meant to be loving, prayerful, energetic full of compassion ability to choose freely and to live life to its fullest potential. The topic was dealt by the resource person Fr. Suresh Das OFM cap.

Classes on community life and vows helped us to recapture the importance of community life in consecrated life. Community is a place for dialogue, forgiveness, acceptance, change oneself for the betterment of the community. Together as a Community is the beginning. Working together is a progress. Being and living together is success. As *the* community becomes *my* community, we realize that the expression of the love for our Beloved is to be measured by our love for our sisters in Christ. Hence, we see that fidelity is not in one grand pronouncement of vows but in

choosing every day to surrender to Christ and approach each day, doing everything with love.”

The vows are means to build up community, true friendship, relationship and have a public lifestyle in the Church. The celibacy of Jesus was the result of His dedication in the mission. So also, we are called for that cause. Celibacy is the oldest and most enduring of all the vows. A Lifelong commitment which touches the intimate emotions also call to a passionate living and loving.

When I possess Jesus, I possess everything. Jesus’ life is centralized around the poverty. So, you and me are called to work with human hands, minds and thoughts, talents, energy and time. Poverty is an invitation to lead a simple life and depend on the providence of God. God is the only treasure. I am owner of everything and possess nothing. Obedience makes us free and joyful. It gives blessings in disguise. It brings opportunities and growth. Through obedience we become at peace with oneself. Rev. Dr. Fr. Jesu Das SVD then provincial of SVD was a fitting person to challenge us to live up to the call of God. The creation of woman in the Biblical foundation is well explained. By Rev.Fr. Wilson SVD. The best version of man is woman, and she is unique and special. Spirituality is how to react/ respond to our situations that is by being, living, reacting and responding. ‘Life is 10 percent what happens to us and 90 percent how we respond to it. The women personalities in the Bible, after their life has beaten, broken them into pieces it is their ability and discipline that turned their broken pieces into a work of art by discovering their hidden resources and talents. It is the resilience that shaped them to bounce back to life events. God saves those with the past, uses and redefines. The outstanding quality *Silence* of Mother Mary specially, the seven scriptural passages on Silence of Mother Mary is an inspiration for us to practice the prudence of Silence in good and bad times of our lives.

The 30 days of deep encounter with the Lord and a month-long celebration on Ignatian Spirituality – opening oneself to the work of God in one’s life. To find God, the human spirit needs places where nature has not been rearranged by the hands of human. Nature holds the key to our aesthetic, intellectual, cognitive and spiritual satisfaction. Fr. Devadhas SJ, accompanied us to the mountain top of Sirumalai to resonate, rekindle and re-orient silver brides of CJMJ 2022.

The greatest encounters with God needs us to hike up a mountain till we are able to see above the tree line and we see the world around us, while at the same time, we are distant from the world. To see where we have come from and where we are going. This Sirumalai hill top has enabled 21 of us to encounter God in a deeper way and the interior knowledge of the Lord in solitude and silence.

In fact, we have enjoyed, energized and enticed by the Guided meditations, listening to God in Nature, we were able to connect with nature. How glorious is your name O Lord, in all the earth, the work of your hands all tell of your Love. (Psalm 8) We realized that through the guided meditation we were taken to the world of ecology of Ignatian Spirituality to recognize the sacredness of the creation and grace to deepen our respect and care for our common Home. The retreat led us to desire, to find God in all things and all things in him.

The one-month retreat in brief, Ignatian spirituality, utilizes human bodies as a source of wisdom, discernment and revelation and views the world as our space to serve with grace, respect and inquiry.

We are filled with the sense of jubilation, joy and gratitude. Ever grateful to the Lord for this unique milestone. And we thank and praise him in a particular way for the grace and favor he has showered upon us, not only during the past quarter century, but stretching back to our conception and birth, baptismal spiritual adoption and consecration, formation in the school of Christian faith, hope and love at home and by the sisters and so many others, the seeds he planted over the course of our life that have germinated and flourished in the garden of the Society of Jesus Mary Joseph.

On this happy occasion we do remember all our dear and near ones and their support and sacrifices along the journey, especially our beloved parents, formators superiors, friends and all our JMJ sisters with whom we live and move. We are grateful to our provincial superior Rev. Sr. Antony Mary and Council for all the arrangements done for this greatest event of our silver jubilee as a memorable one.

We pledge our prayerful support to those who helped us in various ways as we now stand at the gate of tomorrow facing the future years ahead. We pray, may the one who began this good work in us bring to its completion in us.

- *With grateful heart Silver brides 2022*

60th Anniversary – A celebration of love as bright & enduring as Diamond

“It is God who arms me with strength and keeps my way secure”. PS: 18:32

As I recall the great celebration of Diamond Jubilee, more than half of what happened is out of my memory as I forget the immediate past.

All of us arrived in Mangalagiri Provincialate on 10th March. Out of 12 Diamond Jubilarians with the exception of Sr. Dionysia all were present. We missed her presence very much. We were well accommodated and each of us was helped by a junior sister. They were our guardian Angels taking good care of us always, as some of us really needed help and support. This meticulous arrangement is well appreciated by all of us. Every minute details like keeping the room clean providing hot & cold drinking water, washing the soiled clothes, supporting us and leading us to go from one place to another i.e. Chapel, refectory, bed room etc. these arrangements indeed is a real care, concern and kindness and the credit goes to Provincial Superior Sr. Tresa KVM and her team. A Big thanks and salute to all of them.

11th March was an outing day refreshing all the old memories of our lives in those communities. First of all, we were taken to all our dear sisters who are now in heaven- memorial park, at Nallapadu. We spend time near the tomb of each sister lighting candles, praying to them and for them and recalling our relationship with them, as many of them are well known to us. There after we visited St. Joseph’s convent, Prashanthi Nilayam, B.Ed College and returned by 8.00 pm. Each place they conducted short prayer service followed by felicitation - garland, shawl and gifts.

On 12th March from 10.00am to 01.00 pm we had batch get together sharing our rich experiences, awes & pains from Golden years to Diamond after that we also exchanged some gifts as token of our love & relationship.

March 12th - March 20th Retreat.

All through the retreat, the theme reeled around was God’s Unconditional & unending love for us. The culmination of the retreat was on the contemplation to attain love and to pray for an intimate knowledge of God and His many blessings which we received through our Congregation and we are filled with gratitude for all. “I may in all things love & serve the Divine majesty, to find God in all things & all things in God”. We realized that we live in the strength of our experience and find God in every situation.

On 21st we had the privilege of visiting Tenali. 22nd March 2022 was set apart as the day of Diamond Jubilee celebration by Guntur Province. We had the solemn Eucharistic celebration at 10.00 am concelebrated by 5 priests and Rev. Fr. Jayaraj SJ as the main celebrant. During his homily he inspired us by enriching us as he dealt on various aspects of religious life like commitment, community life and the preciousness of our vocation, there after felicitation by the provincial team and other neighboring communities. A delicious lunch was served thereafter.

We reached JMJ Provincialate Nagavara by 08.30 am on 24th March 2022. 25th March was a Diamond Day for JMJ Provincialate Nagavara, as our beloved Archbishop Most Rt. Rev. Dr. Peter Machado Officiated the Solemn Eucharistic celebration at 07.00 am few priests concelebrated. He delivered a beautiful, inspiring homily which touched the core of every one of us. It was a speech, the kind of its own. At 09.00 am on the same day we were felicitated with garland, shawl and gifts by our Provincial team as well as community representatives. After dinner at 08.00 pm there was a special recreation, surprisingly there was a special guest – none other than our founder Rev. Fr. Wolff. He came down to bless each one of us and asking us to continue to live the Spirit & Charism of JMJ with great enthusiasm.

On behalf of my batch mates, I am here to express my deepest and highest form of thankfulness and gratitude to our Provincial Superior, Rev. Sr. Anthony Mary Dasari & Council and all the sisters of our communities especially sisters of Preethi Nivas. Above all I thank the Almighty God, for bringing all of us to this stage of religious life. Rendering and assuring our gratefulness and praying for all the members of our Congregation specially members of Bangalore Province.

With a happy note and gratitude, I close....

- Sr. Gio Vichatt

Kindness Beyond Boundaries.....

***‘Do things for people, not because of who they are or what they do in return,
But because of who you are.. .’***

Our joys will be greater, our love will be deeper, and our lives will be fuller because we shared the pain and agony of two unknown people at the loss of their loved one in an unexpected train tragedy, which took away the life of young boy in the dark night of 4th May 2022. Mrs. Pampa along with her only younger brother and her husband Mr. Tapas Chandra boarded train on 3rd May to travel to Bangalore for their livelihood. Two of them had confirmed ticket for sleeper class while Mr. Premanand had waiting list. The three decided to adjust 2 berths after paying the fine to ticket collector. They took turns to sleep for few hours and shared the berths. Prem walked up to the sister and brother – in –law and told them to sleep and decided to sit near the door of the compartment for a while. He never knew that this act of him will take his life away on that fateful night. Train finally arrived at Yesvanthpur station and the couple got down from the train and waited expectantly for Prem to get off the train. But Prem never got down even after all the passengers were left. Panic driven couple started hunting for Prem and searched the whole train fanatically hoping that he may be sleeping somewhere. Their efforts were in vain and could not find Prem. Anxiety and fear gripped them and approaching the railway police lodged a missing complaint.

On 5th May at around 5.30 pm they received call from police that Prem’s body was found on a railway track near Venkatachalam 15 kms away from Nellore town. On hearing the sad news of their loved ones’ demise they left to Nellore and reached on 6th May. They were shattered in a totally strange place, among strange people with an unknown language and more over with immense pain of losing the youngest member of the family. The two of them could only witness the harassment by the police and demand for money at every step. Mrs. Pampa could not believe her eyes to see her lifeless brother with whom

she shared lot of joyful moments for almost 15 days of her being at home. They faced so much of difficulty to get the postmortem done and were confused as to how to take the body to West Bengal as the

cost of shifting by road was high and beyond their ability to pay. The ISI (Indian Social Institute) of Bangalore got the news and plight of these migrants and through Sr. Lilly ED JMJ contacted the JMJ communities in Nellore. We, the sisters of St. Joseph's Convent, Dargamitta moved with compassion and gripped by the entire situation responded to the call and wanted to be of help to them by all means. Sisters started enquiring through various sources the chances to transport the body by rail cargo services, formalities etc. but transporting body through rail was difficult because of the legal procedures involved in it. Understanding the difficulties, sisters reached the Government Hospital to aid the young couple and

learnt that the couple decided to cremate the body of Prem here in Nellore as it was not feasible to shift the body to West Bengal. Mr. Tapas Chandra and Mrs. Pampa were totally shattered with the thought how to explain and console parents who could not even have the a glimpse of their only son. The couple were broken and inconsolable not able to digest the death of the young chap. Since they were asked to collect the documents on the following day we brought them to convent and accommodated them. More than a place to stay, they needed most the words of consolation, a shoulder

to lean on and cry and comfort of loved ones which they lacked in a strange place. As our sisters kept company with them no words could console them and the only thing we could offer them was our presence...Just being there. Every sister of the community made sure that they were comfortable and ate something, Holy mass and special rosary was offered for the repose of the soul of Prem and prayed for the family. The following day two sisters accompanied them to cremation ground to collect the Ashes of Prem and then proceeded to railway police station to complete the documentation process.

All through, we saw a ray of hope and an ounce of consolation in their grief stricken faces, we also could sense the financial crisis they are in and supported them by some monetary help. We arranged travel back to their native place but with Ashes of Prem. They left with grief and heavy hearts, touched by the humanness and kindness of Sisters of JMJ.

We as a community whole heartedly thank Sr. Lilly ED and Jesuit fathers at ISI for this unique opportunity to be of help to the needy migrants through their effective networking.

We uphold the parents of Prem and Mrs. Pampa in our prayers who are in great trauma of losing their only son and brother and did not even have a chance for the last glimpse of him. May God of consolation be with them always.

- *Sisters of St. Joseph's Convent, Dargamitta.*

What a blessing and privilege to enter the portals of ISIB

I have been blessed with this privilege, and with it comes the power to make change. As I understand, the Call today is that the Jesuits and partners understand the poor and walk with them in their 'complexities, vulnerabilities and richness'. We need to be neither admirers of the poor nor have pity on them. The question is how do we accompany the poor?

Here dwell the peaceful persons whom God favours. I was warmly welcomed by a very dynamic director, Fr. Joseph Xavier SJ, a person full of affability, tranquillity, and

spirituality. Fr. Joe along with the administrator, Fr. Francis Balaraj and other fathers and all staff members in the campus are exuberant with garden greenery and fragrant flowers and one can feel sincerely that ISI is really an abode of God. Here, I realize and experience God's work.

Every rich and nurturing experience at Indian Social Institute, Bangalore (ISIB), invites me to give thanks to God. It is a great opportunity to be deeply rooted and to grow a step higher in my life journey. It is indeed a great joy to know many people from different places and cultures, experience their personality and warmth. It is a beautiful occasion to share my life with each other in all the activities assigned to me. I am sincerely indebted to Fr. Joseph Xavier SJ, Fr. Joy James SJ, the vice president of ISI, and Fr. Francis Balaraj, for their constant accompaniment and encouragement.

ISI-B is a place of learning and a research and training centre. I thank them for imparting me knowledge about the Indian Constitution, organizing systematic cadre and capacity building of youth programmes in Kerala, and giving me many learning opportunities. I am working as a regular staff, as facilitator of programmes in Kerala in the Social Inclusion and Democracy Unit. I travel to Kerala as per the needs of the programmes. My main work is to plan, coordinate and implement training programmes in Kerala and to participate in some NGO programmes in Bangalore, participate in the preparation of the resource modules, to initiate and strengthen partnerships in Kerala, to maintain live contact with partner organizations and follow up with the potential cadres to encourage and guide them, to maintain documentation of the programmes organized, reports, evaluations and the programmes organized virtually on critical issues and submitting bills and vouchers after the training with proper documentation.

I am grateful to my provincial Sr. Antony Mary Dasari for clearly presenting her ideas on walking with the poor and the excluded, especially working in collaboration with the Jesuits. I admire her passion and commitment to transform the lives of millions of poor in the world, especially those chained by the cycle of poverty and deprivation, living in the developing countries.

ISI-B works in close collaboration with different organizations and institutions. The knowledge I gained through this institute has helped me to be self-confident and a person with dignity. This institution has given me exposure to social work at the grassroot amongst the most marginalized. Field-based activities helped me to understand the issues faced by the adivasis, dalits, fisherfolks, women, youth, children, migrants, etc. I am happy to say that earlier the Institute had only one zone in Kerala, AADI at Attapadi, Palakkad. Currently, for

the next cycle of basic training, with the help of the fathers, I have worked out 4 Zones in Kerala, namely, Kozhikode, Wayanad, Trivandrum and Kollam districts.

In Kozhikode and Wayanad districts the focus will be on the adivasi or tribal communities. In Trivandrum district I will be training youth from the fisherfolk communities and in Kollam district, dalit youth will be trained. Youth of these areas will be capacitated through various training sessions on socio-cultural analysis, Panchayath Raj, social movements, care for common home, people's entitlements, and social animation skills, who will lead their local communities. Kerala unit will be organising 3-day training sessions for 35 youth in each zone once in every 3 months.

Finally, I can say that by organising many training programmes and due to my proactive participation in all common activities I have gained a lot, as ISI plays a vital role in the development of every individual and communities with intellectual depth in building dalit, Adivasi, women and youth collectives for social change.

I have been working at ISI-B for 10 months. I consider this opportunity as a unique gift in my life as I have received so many blessings. In the beginning everything looked strange as I was not prepared to work in an institution in a systematic manner. I felt that my capacities were limited. Everyone I came in contact with taught me something. I met so many wonderful people who inspired me to cross my limits. They taught me to think more about society first and myself later. I can proudly say that I have grown. I am a different person now. I owe all this to ISI-B, the staff and the partners.

- Sr. Lilly ED. JMJ

Future Shining Stars (School Dropout Programme)

This was an initiative that came as an inspiration to one of the sisters at JMJ Nilayam. This was further offered as an intention in the Holy Mass to know if it was God's Will. From there, God's presence was experienced at each step of this movement. This programme started by holding a meeting for the Self-Help Group members who were then asked to identify the dropouts from their neighbourhood. The students who had failed or dropped out of school owing to Covid - 19 pandemic were identified. The following measures were undertaken to support this initiative:

1. Classes were held for the dropouts' students with the children of the SHG members.
2. Every day starts with a prayer followed by music, English, computer and Behavioural etiquettes session
3. Many individuals came forward to help in this initiative. It included MSW students and Nursing Students from the St. Philomena's College of Nursing under the guidance of Sr. Lourdu Mary
4. Sr. Catherine and Sr. Rose of Lima are great pillars of support to this programme.
5. Financial Support was rendered by the benefactors of Charity Promotion Movement generously. These funds were used to provide lunch to the students.
6. This programme was initiated on the 30th March 2022 and was formally inaugurated on 11th May 2022 by Fr. Joseph Susainathan our Parish Priest in the presence of Sr. Marina Yeruva – the Superior, Mrs. Roseline Albert - the Principal of Sacred Heart Community College and many other benefactors.

7. To foster the habit of reading one hour is set aside for children to use the library everyday.

8. The students are also made to do gardening to nurture love for the Natural environment.

9. We have collaborated with Don Bosco Fathers and St. Josephs' Indian Community College for the future training of the children.

10. There has been immense support of Sr. Mary Kalavathi and Sr. Marina Yeruva for the smooth functioning of this programme

- **Sr. Philomena John**

New mission extended and shifted...

JMJ Sneha Sadan began a new mission with a vision to empower the women, dropout girls during the covid-19, to find a living and a carrier to face the realities of life. In January 2021, we began skill training center at Kogilu for the women and girls of the four slums in the neighbourhood namely Mittaganahalli, Reva Nagar, Bellahalli and extension of Bellahalli with migrants of Uttar Pradesh and Uttara Karnataka in collaboration with Dream India Network (DIN) and MCKS Happy Jeevan Tailoring Drive.

12 students were trained for 6 months and they received the certificate and a tailoring machine on January 27th 2022.

The 2nd batch of empowering women and girls tailoring training is shifted to JMJ Convent, Nagavara and the course begins in June 2022. JMJ Sneha Sadan, Kogilu community though ideal, students were found it difficult to reach the centre due to improper transport facilities, and we are not able to render better service to the people around. Our JMJ institutes look out for better service to a larger group. Let's wish and pray that this centre will be a centre to empower the women to face life and transform their life and live a better living in the Society.

- **Sr. Hrudaya Mary A.**

May: The Month of Mary

During the month of May the month of Mary, we are going to be thinking about Mary and her love for all of us and her love for God. She was so unapologetic in Her Yes to God and we remind ourselves of this Yes that she so willingly said and knew that Gods plan for her was steadfast and true.

We take a moment to pause for prayer and reflection to our mother Mary today

A Tribute to our Deceased Sisters

Sr. Petro Guvvala

'The gift of God is eternal life in Christ Jesus our Lord.' - Romans 6:23

Sr. Petro Guvvala hails from Peddakottala, Kurnool Dt., A.P., the seventh child born to devoted parents Mr. Showraiah and Mrs. Basilisamma on 27th January 1944. She had 3 sisters and 4 brothers and was baptized as Papulamma. When she was eight years old, she lost her parents and was cared by her eldest sister Mrs. Lourdamma through whom she embraced the Christian faith.

Her primary & secondary education was in St. Joseph's School, Kurnool. She completed her metric and then had a strong desire to join the Society of JMJ. She was inspired by Dutch missionaries in particular Sr. Adrianna, Rev. Fr. Scradell and the Indian sisters while she was studying in the boarding. She prayed intensely for her vocation and the good Lord heard her prayer as she listened to the voice of the Lord calling her "Come and follow me".

She has rendered her dedicated services at Guntur, Porumamilla, Thechalur, Palayamkottai, Nallapadu, Kadapa, Sirsi, Devara-Hipparagi, Vetapalem, Preethi Nivas and JMJ Nilayam as a Needle work and Tailoring teacher in Grihini School, Superior and Catechetical work. She enjoyed being in the community working with the sisters and giving herself totally.

As a person of prayer, God's wonderful miracle she was a channel of grace. The challenging and dynamic personality not only witnessed the Society's demands but also imparted the values of Christ and the dynamic vision of our beloved Founder Rev. Fr. Mathias Wolff SJ to the poor people around specially those who encountered her. She was very active and energetic person, jovial and hard working. She made others happy in her very presence. She used to spend her time every day in front of the Blessed Sacrament praying and reading the Word of God. She was abreast with the current happenings as she read the newspaper daily and prayed for the needs of the world.

Sr. Petro Guvvala went to her eternal abode on 10.04.2022 due to age related issues at 09.30am at JMJ Nilayam, Bangalore in the presence of our sisters.

May her noble soul rest in peace!
